Enforcement of Rules

The Pool Manager and lifeguards have the authority to enforce all the rules and ensure the safety of all members and guests. Violations of these rules will result in suspension of pool privileges. You will be asked to remove yourself from the pool grounds immediately. Any disagreement should be taken to the pool manager. The lifeguards are employed to enforce the rules, not to interpret them. Limit all conversations with the lifeguards while they are on duty. The guards are there for your protection, not for socializing.

Pool Tags

A pool member roster will be maintained and pool personnel will allow entrance based upon the following:

- Membership dues are currently **paid in full**.
- Your assigned pool tag is **shown** while signing in. You will not be allowed access to the pool without a tag. Each family will be issued **one pool tag per immediate family member**. Anyone other than your immediate family will be issued a Guest Pass. Immediate family are persons living in your household. Please refer to Guest Section for more information.

Lost tags will be replaced at the cost of \$5.00 each. Please notify the pool manager immediately if your tag is lost. Loaning of pool tags will result in confiscation of tags.
